Dear Professor Pierce:

I am happy to inform you that The Ford Foundation has approved a grant of \$60,000 to the National Conference of Commissioners on Uniform State Laws over a three-year period to assist in the research, deliberation and drafting necessary for promulgation of a comprehensive uniform family law. This grant is being made in response to your request of September 28, 1966 addressed to Mr. William Pincus of the Foundation staff, as modified by this letter.

It is expected that the grant funds will be used substantially in accordance with the attached approved budget which is the basis for this grant, and that no major deviations will be made therefrom without prior consultation or approval by the Foundation.

The Foundation referred to this grant in a press release on Tuesday afternoon, December 20, 1966.

Payment of the grant funds will be made in quarterly installments. Payment will be initiated upon receipt by the Foundation of two copies of the attached quarterly payment request form directed to the Secretary. With the last payment indicated on the form, the Foundation's Treasurer will forward to you the forms required to initiate succeeding payments. Requests for succeeding payments should be accompanied by annual narrative and financial reports. Please note that the annual financial report is in addition to the information supplied on the quarterly payment request form and that no payments for the next year will be made unless adequate financial and narrative reports have been received. You may select for annual reporting purposes that date which best fits the accounting and fiscal practices of your organization.

The grant is for the specific purposes stated in the accompanying letter of grant notification and may be modified only with the Foundation's approval.
